MEMORANDUM FOR:

SUBJECT : Overseas Writers

STAT

I talked to Nick Danilooff along the lines of the DCI's comments. I agree that the session should be on background, but I don't much care for the "U.S. intelligence sources" formulation. I have agreed with Nick to settle the "depth" of background closer to the date of the meeting; specifically, he will call me on this subject on September 13.

Andrew T. Falkiewicz
Assistant to the Director
